

Goal Setting for Fruitful Ministry

May 17, 2011 from 6:00 - 8:30 p.m. Ocala West, United Methodist Church

(9330 South West 105th St. Ocala, FL 34481)

As you know from last year's Charge Conference, this coming Fall, each local church will be expected to submit a four-year set of goals, one for each of the Five Practices of the Methodist Way, at their 2011 Charge Conference. In an effort to help local churches in their preparation for developing these goals, the District Congregational Excellence Committee will be hosting a workshop on Tuesday, May 17 from 6:00 pm to 8:30 pm, at Ocala West United Methodist Church, entitled "Goal Setting for Fruitful Ministry". The workshop will begin with an overview of goal setting for local churches that will be led by Dr. Jeff Stiggins, Director of the Conference Office of Congregational Excellence. Then there will be 5 break out sessions, one for each of the Five Practices of the Methodist Way that will offer concrete ideas for each one of the practices. If you or your church would benefit from some fresh insights into how this goal setting process can inspire creativity and passion for ministry, mark your calendars now and plan on attending.

There will be a nominal charge of \$5.00 to cover the cost of dinner. Please confirm your registration with the district office by phone at 352-376-6353 or email at flumc-nc@flumc.org

Payment will be collected at the door.
